To the Parent(s)/Guardian(s) of \_\_\_\_\_

Your student was involved in an accident which resulted in an injury on 3/28/2017.

Attached is the Myer-Stevens Student Accident Coverage – Accident Claim Form with Part A completed regarding this injury which must be returned directly to Myers-Stevens within 12 months of the date of injury.

The school district carries insurance through Myers-Stevens that covers students who are injured during school-time or a school sponsored event.

If you currently have your own insurance, the Myers-Stevens coverage would be secondary. This coverage pays 80% of Usual, Customary and Reasonable charges up to a maximum of \$25,000 for many hospital and professional service expenses incurred by students' families for school-time accidents including tackle football. The coverage has a \$50 deductible, and the parents/guardians of the injured student will be responsible for this deductible, as well as the remaining 20% co-payment. Full details of what is covered and excluded may be obtained at the District Office at 714-8858, or by calling AML/JIA directly at 800-827-4695.
