KENAI PENINSULA BOROUGH SCHOOL DISTRICT

NEWS RELEASE

Public Involvement in Superintendent of Schools Selection

Soldotna, January 23, 2015— The KPBSD Board of Education seeks public input into its process to select a superintendent of schools. The school board has sole responsibility for the selection of candidates, final interviews, and selection of the superintendent, but would like to consider the views and interests of the public to help guide those decisions.

A Community Input Survey is open until February 9, 2015

A brief, anonymous survey invites public comments and the opportunity to rank attributes of importance in a KPBSD superintendent of schools. The school board requests everyone interested in schools, including parents, students, KPBSD staff, site councils, PTAs, volunteers, business and community organizations that partner with schools, community groups, and the public to contribute.
