May 2 <i>Extended CBA window, by approval</i>	May 3	May 4	May 5	May 6 <i>Extended CBA window closes.</i>

Content Assessments ELA & Math Grades 3-10 **March 29 – April 29; extended window closes May 6**

- Each content area has 4 sections (25+15+15+15).
- Sections may be given over the course of several days. A section must be completed within one day.
- ELA & Math sections may be administered on unique schedules at the school, grade, or individual level.
- Window closures per grade level are for *scheduled* testing. If necessary, make-up testing can occur for any grade during any day within the window (March 29-April 29).

Science Grades 4, 8, 10 **March 29 – April 29; extended window closes May 6**

- 3 sections/Grade 4 (25+12+12) grades 8 & 10 (25+15+15)
- Sections may be given over the course of several days. A section must be completed within one day.
- Science sections may be administered on unique schedules at the school, grade, or individual level.

Best practice is to limit student testing time to one hour sessions and total time per day of approximately two hours.

Alaska Measures of Progress (AMP) Assessment Calendar – Spring 2016
